

8:45 - 9:00	Registration
9:00 - 9:10	Welcome speeches PRAXI Network/FORTH, HPhos cluster, PhotonicsGR platform
9:10 - 9:20	National priorities and funding opportunities for smart, green and integrated transport Dr. Antonios Gypakis, General Secretariat for Research and Technology (GSRT)
9:20 - 9:30	EU funding opportunities for smart, green and integrated transport Prof. Evangelos Bekiaris, National representative for Smart, Green and Integrated Transport, Hellenic Institute of Transport/HIT, CERTH
9:30 - 9:40	Smart systems integration for transport applications Dr. Gereon Meyer, Head of Strategic Projects at VDI/VDE-IT, member of EPoSS
9:40 - 9:50	ITS applications in smart cities of the future Dr. Georgia Ayfantopoulou, Research Director – Deputy Director HIT
Construction & operation of modern and safe motorways (Chair: Prof. Evangelos Bekiaris)	
9:50 - 10:40	Towards Smart Motorways <ul style="list-style-type: none"> The European transport landscape: An overview Kallistratos Dionelis, General Secretary of the European Association of Operators of Toll Road infrastructures (ASECAP) The case study of ATTIKI ODOS Helen Tyrogianni, Strategic and Organizational Manager of Attikes Diadromes S.A. The case study of EGNATIA ODOS Dr. Athanasios Saramourtsis, Head of Systems & Energy Unit of EGNATIA ODOS S.A.
10:40 - 11:00	Coffee break
Photonics technologies for smart road transportation (Chair: Dr. Elias Hontzopoulos)	
11:00 - 11:20	Photonic technologies for motorway infrastructure: An overview Prof. Dimitris Syvridis, NKUA, Dept. of Informatics & Telecommunications
11:20 - 11:45	Image detection autonomous driving, smart interaction with motorway infrastructure Dr. Markus Pfeil, Head of Innovation Management TWT GmbH
11:45 - 12:00	LIDAR technology for ADAS Dr. George Avdikos, CTO of RAYMETRICS S.A.
12:00 - 12:15	CBRN sensing for motorway security Dimitra Zavali, European Cooperation Interface Leader, Thales Hellas
12:15 - 12:30	Smart Lighting George Gounaris, Key Account Manager Outdoor, Major Contractors & Public Sector at Philips
12:30 - 12:45	Street Lighting Dr. Labros Doulos, General Manger LiGHTiNG 3
12:45 - 13:15	Discussion & wrap up
13:15 - 14:00	Light snack and Networking
