# ERA Fellowships 2022 Call (HORIZON-WIDERA-2022-TALENTS-02)

## Modes & Budget

*Held in a 'Widening' country*

***Total Budget: 8 million € (indicative)***

Proposals are eligible for ERA fellowships funding if:

- submitted by a host institution from a 'Widening' country
- admissible and eligible for MSCA-PF European Fellowships (EF)
- have agreed to be considered for ERA Fellowships call
- passed all the thresholds under the MSCA-PF-EF call
- failed to reach an adequate place in the ranking to be funded under that call.

# Postdoctoral Fellowships (PF) 2022 Call

## Novelties

- **Resubmissions**

- Proposals involving the same host organisation (and for Global Postdoctoral Fellowships also the same associated partner hosting the outgoing phase) and the same individual researcher submitted to the PF 2021 call and having received a score of less than 70% must not be resubmitted

- **Non-academic placements**

- If the placement does not meet the requirements (missing letter of commitment or taking place in an academic organisation or in a Third Country), the proposal will be evaluated without taking into account the non-academic placement. This might affect the final score.

- **Secondments Vs Non-academic placements**

- Better guidance and instructions on how to properly encode this information in the submission forms
